LSS SERIES
HEAVY DUTY LOOSE AIR RIDE SUSPENSIONS

LSS SERIES

WHEN FLEXIBILITY IS THE KEY, LOOK NO FURTHER THAN THE DEXTER (LEGACY INGERSOLL) HEAVY DUTY LSS SERIES AIR RIDE SUSPENSION.

If a fully integrated package meets your needs and you need to adjust your suspension setups on the fly, Dexter is ready with a new Loose Suspension System (LSS). Shipped loose from the axle so you can install them where you want, when you want.

MODEL	CAPACITY (lbs.)	RIDE HEIGHT
